

22-PLAYER ROSTER

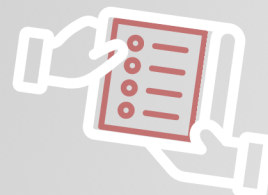

'Quick Facts'

➤ WHAT IS A "22 PLAYER ROSTER" & DOES MY CLASSIC TEAM HAVE ONE?

Teams in the 13U-19U age division may carry up to twenty-two (22) players on their roster.

DOES YOUR TEAM HAVE MORE THAN 18 PLAYERS LISTED ON
YOUR TEAM'S ROSTER, IF SO, READ ON...

➤ AS A COACH/TEAM MANAGER, WHEN SHOULD I SET MY ROSTER AND DECIDE ON THE 18 PLAYERS PARTICIPATING IN A MATCH?

Coaches/team managers have no specific timeline for designating their 18 game players, but they must finalize their selection during referee check-in via the PlayMetrics Game Scoring Assistant. Once designated, changes to the selected 18 are not allowed.

➤ HOW MANY PLAYERS MAY PLAY IN A MATCH?

Only eighteen (18) players may participate in a match.

➤ WHO IS ALLOWED TO WARM UP BEFORE THE MATCH?

All players can warm up, but when referees complete check-in via the PlayMetrics Game Scoring Assistant, you must designate the 18 players participating.

ONCE THE REFEREE FINALIZES THE LIST OF EIGHTEEN PLAYERS, THE SELECTIONS CANNOT BE ADJUSTED FOR ANY REASON.

➤ WHERE DO THESE 'PLAYERS OVER THE DESIGNATED EIGHTEEN (18)' WHO HAVE NOT BEEN SELECTED TO PARTICIPATE IN THE MATCH GO?

These players may stay on the team bench with their coach/teammates.

Players not listed on the Match Roster must change into "street clothes".

(clothes distinctly opposite/ different than the team is wearing, in addition to removing cleats/ socks/ guards).

➤ WHAT HAPPENS IF A PLAYER GETS INJURED OR SICK DURING PREGAME AFTER I'VE SUBMITTED MY "18" TO THE REFEREES? CAN I REPLACE THEM?

Once the players are designated via the PM Game Scoring Assistant tool, it is finalized for the match. Even if there are five injuries, you would play with 13 players.

Once the eighteen (18) designated players are submitted to the referee, no changes can be made. Any additional players added afterward will be deemed "INELIGIBLE," leading to a forfeit loss for the team. Changes are not allowed, regardless of mutual agreement or referee approval. It's crucial to understand and adhere to this rule to avoid mistakes.
